Searching for ways to:

-reduce unnecessary expenses?

-identify costly habits?

-track your expenses and create
a spending/saving plan?

-understand the impact of
media on your spending?

-understand/use credit wisely?

-improve credit reports/scores?

-identify a potential predatory
loan/lender?

-know your consumer rights?

THEN, come and join others in
an interactive class.

It could change your family's
financial future!
